PETITION TO REVIVE PATENT APPLICATION-
UNINTENTIONAL FAILURE TO PAY ISSUE FEE (37 C.F.R. § 1.137(b))

Dear Sir:

In a communication from the U.S. Patent Office dated December 22, 2006, it was indicated that this application was abandoned for applicant's failure to timely pay the required issue fee and publication fee within the statutory period of three months from the date of the Notice of Allowance as required by 37 C.F.R. §1.316.

Since the required fees are paid by my local agent: Marco Chen, who prepared and mailed the transmittal of issue and publication fees by check in the amount of US\$ 1000 to the U.S. Patent Office on November 23, 2006. A copy of those documents are attached to the Declaration of Marco Chen, which is attached hereto.

As noted, the Assistant Commissioner was authorized to charge the required fees by the check. Affixed to the transmittal was a certificate of mailing dated November 23, 2006 which was within the statutory period of three months from the mailing date of the September 8, 2006 Notice of Allowance. And on December 7, 2006, we have received the return receipt postcard with the USPTO November 24, 2006 date stamp. (Please refer to the attachment.) At that time, to Marco Chen's understanding was that the check was sufficient and the required fees were covered by this check.

After received the Notice of Abandonment dated December 22, 2006 on January 10, 2007, my local agent Marco Chen have confirmed with our local bank: "TAIWAN BUSINESS BANK" who issued the check. According to their illustration, there are two kinds of the check, the first type is that needs the barcode attached by man-made; the second type is the check with the electronic barcode. (Please see the attached copy for the two types of the checks.) The possible reasons for the un-cashed returned check might be that the returned check belongs to the first type and the local bank operated with USPTO could not accept it now due to the policy changed. Therefore the check could not be cashed.

This petition is being filed within two months after I, the applicant was notified of abandonment. The delay in payment of the issue fee was unintentional and, the entire delay in filing the required issue fee, including receipt of the Notice of Abandonment and the investigation surrounding the circumstances thereof and until the filing of this petition, was unintentional.

Authorization is hereby made to cash the attached check covering the following fees:

Issue Fee	US\$ 700
Publication Fee	US\$ 300
Petition Fee	US\$ 750

In consideration of these submissions, it is respectfully requested that the holding of abandonment be withdrawn. Acknowledgment of active status of the application is respectfully requested.

2. On November 23, 2006 I have bought the check from our local bank "TAIWAN BUSINESS BANK". Please refer to the attached copy for the exchange memo and charge receipt and the check in the amount US\$ 1000 to cover the Publication fee and Issue Fee. It is believed that the check is true and sufficient. Also on the same day, I prepared and mailed the check to cover the required fees to the U.S. Patent Office. In preparing those documents, I authorized the U.S. Patent Office to cash the check in the amount of US\$ 1000 to cover the required fees. The letters in an envelope are addressed to the "Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450. On December 7, 2006, we have received the Return Receipt Postcard (which is enclosed herewith) with the USPTO November 24, 2006 date stamp. It is convinced that the required fees are paid within the statutory period of three months from the mailing date of the September 8, 2006.

required issue fee and publication fee within the statutory period of three months from the date of the Notice of Allowance as required by 37 C.F.R. § 1.316.

4. After receiving this communication, I have checked and confirmed with our local bank: "TAIWAN BUSINESS BANK" who issued the check. According to their illustration, there are two kinds of the check, the first type is that needs the barcode attached by man-made; the second type is the check with the electronic barcode. (Please see the attached copy for the two types of the checks.) The possible reasons for the un-cashed returned check might be that the returned check belongs to the first type and the local bank operated with USPTO could not accept it now due to the policy changed. Therefore the check could not be cashed.
5. The delay in payment of the issue fee was unintentional and, the entire delay in filing the required issue fee, including receipt of the Notice of Abandonment, and the investigation surrounding the circumstances thereof, until the filing of this petition, was unintentional.
